Prayer Focus

Islamist extremists in West Java, Indonesia, held a protest in March outside a social centre that is being used as a meeting place for a Christian congregation. "We have used this venue since the 1980s, and we are currently in the process of requesting a building permit to designate it as our place of worship," explained a church representative. Pray that the church will be able to get the permit that it needs, and that there will be peace and tolerance between Christians and the Muslim majority.

This week we are praying for the residents of:

Thank you for giving to St Matthew's

Dear St Matthew's

It was lovely to welcome the Eco Pilgrims to St Matthew's on Monday as they made their way over the week to Southwark.

As we chatted we reflected on the importance of both place and people. I was also reminded of this listening to a news item on loneliness.

Let us pray and give thanks as we journey on together for the very special people and place here at St Matthew's. That in all we do we can be Christ's hands and feet, eyes and ears here.

With my prayers.
