Prayer Focus

Sri Lanka's minority Christian community experiences harassment and hostility from extremists in other faith groups, despite constitutional promises of religious freedom. Many struggle to find work because of discrimination and are very poor. Attacks against Christians typically involve verbal abuse, threats against pastors, or demands that churches be closed. Protests are often led by monks from the majority Buddhist community, supported by police and local officials. Pray for courage and strength for Sri Lankan Christians and ask that they stand firm knowing the Lord is with them wherever they go (Joshua 1:9). Pray that Sri Lanka's leaders will work to uphold constitutional guarantees of religious freedom.

This week we are praying for the residents of:

Addiscombe Grove / Addiscombe Road /
Alpine Close / Langton Way
