Prayer Focus

Trauma counselling funded by Barnabas had a profound impact on 95 Middle Eastern Christian women scarred by conflict, displacement and other hardships. The women from Jordan, Lebanon and Syria were helped to lay their pain at the cross during individual and group healing sessions. "Several described feeling freed from years of heaviness, experienced reconciliation with God and learned to forgive," said our project partner. Another 15 women were trained in trauma healing. Praise God for his healing presence and for freeing these women from their burdens. Pray that even more women will come to know His peace through the work of the newly trained trauma counsellors.

ROOF APPEAL

Recycle  Charity

Loving God

We give thanks for the generosity of your people in time, in prayer and in financial gifts as they have contributed to the roof appeal here at St Matthew's church.

We pray that we would be able to raise this final amount of money and begin the work as soon as possible.

This church and building are so precious to the community here and we continue to pray for your blessing upon it now and in the years to come.

In Jesus name we pray.

Amen

*Be strong, and let your heart take courage,
all you who wait for the Lord.*
